

Name: Bruce Nelson

Occupation: Semi Retired

Message :

It has been a pleasure to serve on the city council for 5 years and mayor of Honeyville for the past year. I enjoy the small town feel of Honeyville and want to maintain the rural lifestyle. The city gets requirements imposed on us from the Federal Government and the State Government. My goals are to meet those requirements, update our ordinances as needed, help members of the city live to those requirements and ordinances while maintaining a rural community.
