I was born and raised in Harper Ward and my wife and I have lived in Honeyville for seven years. I have served on Honeyville City Council since January 2022. I have enjoyed getting to know many new (to me) friends and neighbors. I chose to run again for a council position to continue serving Honeyville residents by utilizing experience I have gained the past two years, and keeping our city codes and ordinances the deciding factor in my decisions for all current and future residents of Honeyville.
